Web Scrapping: extracting /collecting the data from the web.

Advantage of web scrapping
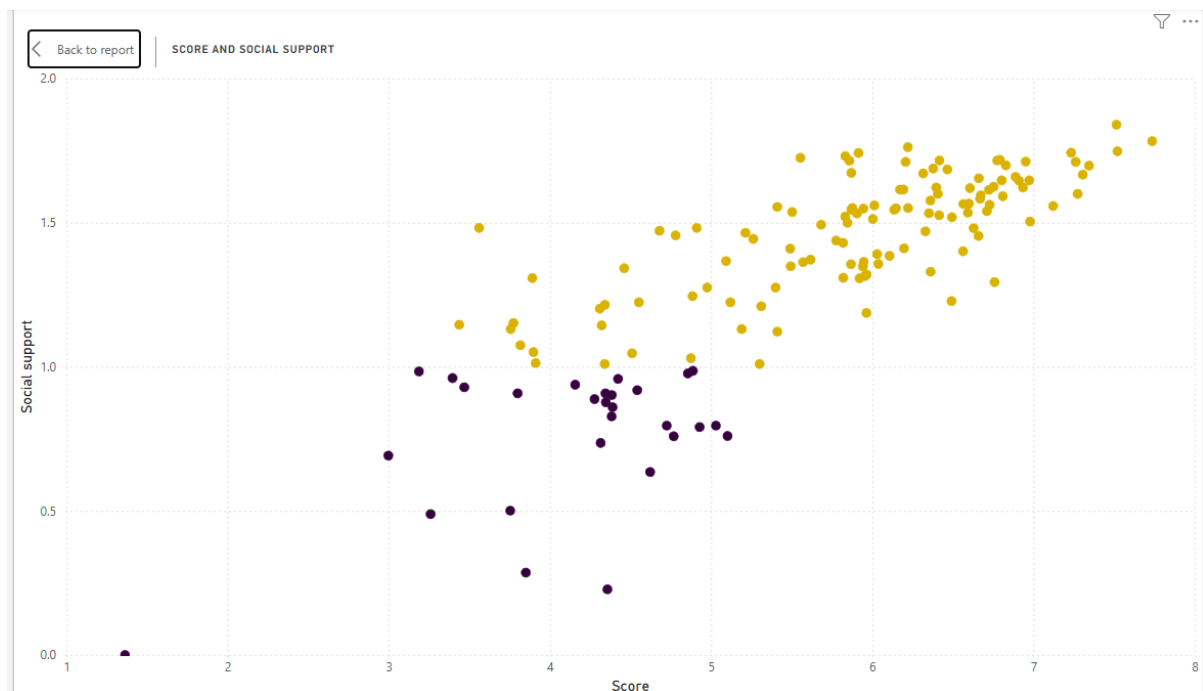

Not necessary to again and again repload the data.

Disadvantage

Compulsory we should have internet.

1) World happiness report 2025.

a) Take a scatter plot chart pass score to x -axis, social support to y -axis, for both x,y axis click on don't summarize.

b)Take a scatter plot chart pass score to x -axis, overall rank to y -axis, for both x,y axis click on don't summarize.

c)Take a scatter plot chart pass perception of corruption to x -axis, dystopia + residual to y -axis, for both x,y axis click on don't summarize.
